REIMBURSEMENT OF THE DEPARTMENT OF TOXIC SUBSTANCES CONTROL'S OVERSIGHT COST ASSOCIATED WITH THE OAKLAND ARMY RESERVE EXCHANGE, OAKLAND, CALIFORNIA

Dear Col. Nobles:

This letter acknowledges the receipt of the Army Reserve's letter dated May 12, 2006, agreeing to reimburse the Department of Toxic Substances Control's (DTSC) oversight cost at the Oakland Army Reserve Exchange. The Army Reserve is evaluating, investigating, and remediating hazardous substances and total petroleum hydrocarbon releases at the subject site under DTSC's oversight. The May 12, 2006 letter states that the Army Reserve will fund DTSC on the Oakland Army Reserve Exchange project.

The Oakland Army Reserve Exchange consists of several non-contiguous properties near the eastern terminus of the San Francisco-Oakland Bay Bridge, Oakland California. The site includes (a) the Heroic War Dead United States Army Reserve Center at 2400 Engineer Road, Oakland, California, (b) former Base Realignment and Closure (BRAC) Parcels 6 and 7 (also known as the Subaru Lot) at the former Oakland Army Base, and (c) former BRAC Parcels 18 and portions of former BRAC Parcels 19 and 21 at the former Oakland Army Base. These areas total to approximately 42.53 acres.

DTSC has established a site code of 201585 for activities charged to the Oakland Army Reserve Exchange project since January 1, 2005. DTSC will issue an invoice shortly.

Col. Danny G. Nobles
